ION POWER S Wiping Cloth

Ion Power S Bowling Ball Cleaning Cloth For Oil and Dirt

What it does:

Custom Solution in the cloth removes oil and dirt on surface of the ball

How it works:

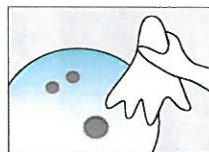

- Custom solution separates oil and dirt from the ball
- Special fiber removes oil and dirt
- Size 4inch x 4inch

How to use:

- Take one piece of cloth and wipe surface of the ball thoroughly
- Wait for 30 to 60 seconds until the ball dries completely
- Make sure to reclose the pouch tightly
- One cloth cleans up to 4 balls

Caution:

- Do not clean anything other than bowling balls
- Keep out of reach of children
- Stop using immediately if skin reacts
- Wash your hands after handling the cloth
- Store in room temperature in dark place

Ingredients: Alcohol, Surfactant, Ionized Water and Fragrances
Non Woven Fabric: (Rayon Polyester)
